

**Glapwell Parish Council  
Zoom Council Meeting  
January 28th 2021**

**Present:** Tony Trafford (Chair), Clive Fleetwood, Tricia Clough, Rachel Hibbert, John Jepson, Chris Mellard-Sibley, Nicki Senior (Clerk). John Marriott (RFO)

8 Members of the public

<b>Agenda Item</b>
<b>01/21 Apologies for absence</b> None received
<b>02/21 Declarations of interest</b> None
<p><b>03/21 Public Forum</b></p> <p>Jamie Wajs introduced himself as Manager of the newly formed Glapwell Football Club. He detailed the club activities and the plans they had for assisting Glapwell Sports Association Charity in refurbishing the grounds. He outlined the teams that are currently formed but said that play had been very restricted due to the pandemic. However, taking this into account it's an encouraging time with good feedback for games held. The focus is very much on being part of and serving the community of Glapwell, becoming a hub, and encouraging people to become part of the village team.</p> <p>Fundraising has started to improve what we have and if we are to progress in the league improvements must be made. GFC want to raise the appeal of the club and encourage a family focus. We are also looking for volunteers and additional support, more details are on social media, facebook, twitter and club website.</p> <p>Cllr. Trafford – We have a meeting with the Glapwell Community Sports Association charity next Tuesday at 7.30pm to progress GCSA and club business</p> <p>Cllr. Clough asked what the male/female ratio was on the GCSA committee?</p> <p>Cllr. Trafford confirmed it was all male at present</p> <p>Cllr Clough asked that women be encouraged to get involved</p> <p>Jamie Wajs shared that the club was exploring this issue particularly amongst younger members who are mixed teams. One of the coaches has experience in female teams and would like to explore this as GFC go forward</p> <p>Council shared the view that MUGA users should be encouraged to contribute and that the Charity administration should do all it can to encourage diversity.</p> <p>MOP – Reported they had Written to their MP appealing for them to get best price for the Ransom Strip. They also asked if they could supply a covenant on the land. Nothing coming out of Bolsover District Council</p> <p>Cllr. Trafford – Being an asset should help with a covenant and any sale cannot take place until May so it gives us time to play with. If you need help with covenant application come back to the Clerk.</p> <p>MOP – Don't know how to do covenant so a bit of a loss</p> <p>Cllr. Trafford– Think it needs to be put on by owner of the land.</p> <p>MOP– James Barron has supported us and included us in his campaign for elections in May.</p> <p>Cllr. Clough – Trying to see when significant dates fall, and it is May 2020. Whether we can put a motion at council to extend because of Covid is something to think about.</p> <p>Cllr Trafford - We can make an appeal, but I think it is just six months.</p> <p>Cllr Kirkham (as MOP) – They need to apply a covenant. BDC has millions invested and they don't need the money and we've had it confirmed value is value to the community not just economic. BDC are reluctant to engage so I tabled a question for next meeting that was knocked back and the promised</p>

communication continues to be poor. We need to keep pushing on the covenant hold the council to account on the covenant issue.

Cllr. Clough - We were also told it was up to the parish council to set the amount not up to BDC to tell us how much.

Cllr. Trafford - I am under the impression that 250k was offered

Cllr. Kirkham (as MOP)– The valuer said 245k but it's essentially a bidding war. We could offer one amount and then the developer could beat us to it feels as if they are trying to channel us in a bidding war

#### **04/21 Minutes of previous meeting November 26<sup>th</sup> 2020**

Matters arising addressed as we go through:

Cllr Clough: Street scene have been observing and I hope Cllr. Fleetwood can inform us of progress regarding red bin collection although it's been chaotic with late collection and I'm waiting for a response on that.

Cllr. Fleetwood - I'll monitor and feedback tomorrow

Cllr. Fleetwood– Is there any update on the problem with the residential family?

Cllr. Clough – I contacted the council to ask if we could have a police phone number I'm not allowed to have that and the council were going to get in touch and ask to issue a statement but nothing has come back from the police.

Cllr. Fleetwood - I keep getting asked and residents are frustrated that nothings being done and what are the Parish Council doing about it.

Cllr. Clough - We wrote to BDC but not the police

**CLERK to write to Police** and copy in Police Commissioners department regarding this specific situation

Cllr. Fleetwood - Wildflower planting, nothing heard yet.

Cllr. Trafford – I'll contact Steve Brunt to see what has been decided

Cllr Fleetwood – Need meet the County Council to agree the site but there's no valued reason for not moving forward

**CLERK to take this up with Cllr. Moesby**

Cllr. Fleetwood -Glapwell in bloom, I have quotes and they are for less than 2k. and for hanging baskets. I will put this on the agenda for next month.

Cllr. Trafford– Was the Vault invoicing resolved?

RFO – We queried but were told that was the charge and wouldn't budge on it.

Cllr. Fleetwood – Think we just touched briefly last meeting and decided to be pragmatic and given Vaults community support in other areas such as the CCTV and Christmas tree we would pay the requested amount. This wasn't reflected in the last minutes.

**CLERK to amend minutes to reflect this decision**

Accepted minutes, notwithstanding amendments, Proposed by Cllr Clough and seconded by Cllr. Fleetwood

– Minutes were accepted as a true and accurate record.

#### **05/21 Reports:**

05/21/01 Police report

Reports of crime have fallen October 2020 to November 2020 by 50%.

Reports of crime for November 2020 are down 25% on 2018 and 2019.

Cllr. Clough – We had a worrying incident with talk of a deceased person being taken from a house and nothing fed back from police. Raised with Street scene and see if I can get a number and get some information.

Cllr. Fleetwood – This incident was raised on social media, but the page taken down so the least the police could do is have the decency to post something to counter what people are saying on there.  
Cllr. Trafford – Could quote that to them as a specific incident.

**CLERK to write letter requesting information about specific incident.**

05/21/02 Response from Commissioners office

Cllr. Fleetwood - This says nothing and cuts across on the 11<sup>th</sup> January operation with Derbyshire targets to highlight crime. Key areas were Speeding ASB and rural crime. We clearly fall into those categories. We have always had problems with fly tipping, and we get a letter to fob us off with claims of no staff. Bottom line is they just don't want to get involved. Now that's unacceptable from my point of view. In public it's one thing to us another.

05/21/03 County Councillor

Cllr Fleetwood - The speed cameras on the hill are not working. The trigger speed is too high or the reset is too long. Now they work every 2/3 minutes. So multiple cars are getting through with no illumination. Also, From Mansfield speed camera doesn't work.

**Clerk to report to Cllr. Moesby**

05/21/04 District Councillor

I had a resident report fly tipping so did self-report and got email saying that they were going out to sort again and also, which is useful, got phone call from the new street scene enforcement officer. They cover Glapwell, Pleasley and Shirebrook but at moment because of covid they can't get out and about as much but if we get enough people reporting on self-service they will come out. The service can be used to report many things including dog fouling, abandoned vehicles as fly tipping and they would like to get people to report with photos if possible. Unfortunately, they are not responsible for parking.

I have attended two meetings, growth, and budget scrutiny. At the moment finances at BDC are looking healthy but when we come to 2024 when we know local government will not be receiving monies they are used to we may well see BDC slip into the negative. So, they are being very prudent as to the money they are spending. They are looking at selling off surplus council owned land and developing key assets. So, garage sites may be sold off and I have asked if they do decide to sell to let ward members know.

Regarding covid testing people were not told clearly that Shirebrook village hall testing is for anyone in the area including Glapwell village. If you are not displaying symptoms go to Shirebrook village hall and you can have a test to see if you are covid free.

There is a full council meeting next week on the 3<sup>rd</sup>.

I have developed good relationship with Bramley Vale head. A nice man who cares about the children and the community. Next Friday I'm going a walk around the playground to meet with him with social distancing. Keeping people informed on FB pages on school information.

**06/21 Matters arising (excluding those covered elsewhere on the agenda)**

06/21/01 Food parcels/meals at the centre

Cllr. T Clough

Via social media I've managed to get 9 people who are willing to help with cooking meals when we are back in action and looking at giving out food parcels. Tuesday seems a good day for running activities. One of the volunteers works at the centre and so would her being involved be in addition to working

hours? In that group are Richard and Judy Henderson-Smith who are very clued up on food parcels. Not progressed this yet until I receive feedback from the Council.

Cllr. Trafford -Volunteering is not within the terms of employment so they would be undertaking it as a volunteer. In my talks with BCVS I have nominated you, Cllr Clough, as point of contact for community volunteering and funding through BCVS.

#### 06/21/02 Vaccinations at the centre

Clerk reported that the offer of the use of the centre for Covid vaccinations was gratefully received by the GP and if needed they will be in contact.

#### 06/21/03 Bee friendly bus stops

Regarding the distributed literature the Clerk asked for the Councils thoughts on if they would like to be involved.

Council unanimously agreed to express interest in the scheme.

#### 06/21/04 The Ransom Strip

Cllr T Clough referred to earlier discussions.

### 07/21 Finance Report

#### 07/21/01 Payments December to date

Date	Details			TOTAL	NET	VAT
01.12.20	C Fleetwood	Remembrance	89	£62.81	£62.81	£0.00

15.01.21	Plusnet	Broadband	DD	£47.40	£47.40	£0.00

Extra payments:

Ground rent of £1 no vat

Becky's mobile phone £140.00 no vat as in Clerks name this will change to charity shortly

Chesterfield roofing £480 no vat

DC dog bin £54.60 with £9.10 vat

Fire call £156 with £26 vat

07/21/02 Income and expenditure November/December

Balance as of December £63632.27

Cllr. Fleetwood – have we received the contribution from Peter White?

RFO - Yes but not on this statement but on the one in January

07/21/03 Budget monitoring

We do need to make some plans for projects with firm financial calculations. We have a contingency for football, and we need to think if that needs to go to charity. The total for this is 5k and as it's in our budget we could support the charity. Because there is no ground income currently it's important you decide on this. Can we have this on the agenda for the next meeting?

**Agenda for next month CLERK**

### **08/21 The Glapwell Centre**

08/21/01 Update on refurbishment goods

Cllr C Fleetwood

Richard smith said furniture delivered by the end of January and hardware has been ordered. Agreed that I would meet when delivered to check it is what we agreed.

08/21/02 Grant for new cooker

Clerk is happy to report a £300 grant for a new cooker through the youth activities organised by Cllr. Clough

08/21/03 Maintenance and development of the centre

Cllr. Trafford updated on meeting with Simon Redding at BCVS regarding moving to a charity or community company for the centre. We need a sub-group to look at the future of the centre with Simon flagging up potential funding such as Severn Trent community trust. We would need community involvement and discussion with community development groups. So we need a formal meeting to take that forward.

Cllr Fleetwood – I think it beneficial to do that sooner not later so all our ducks are in a row when grants are available, and we can get applications in straight away.

Cllr. Trafford – Ideally, we need a meeting in the next 10 days as there are already covid recovery grants so a preliminary meeting so we know where we are going with it would be a good idea.

**Clerk to see who wishes to sit on sub committee**

### **09/21 Football Ground and MUGA**

09/21/01 Charity Formation update

Cllr. T Trafford – Charity formed and bank account open. Members have been identified for the charity subgroup. We have some money which went into the temporary account at BCVS to transfer over. I think there is another small grant of about 1000k to deal with security at the ground.

RFO – Everything is up and running, Chris and Becky had some issues logging onto the bank account but now resolved. PAYE needs doing for Becky's transfer

**CLERK to chase lease from solicitors**

09/21/02 Ground update

Meeting with GFC next Tuesday after which we hope to have more information about the Charities plans going forward.

**10/21 Planning matters**

**Decision letters received and distributed:**

20/00456/FUL

20/00471/FUL

20/00402/FUL

20/00527/FUL

**11/21 Correspondence**

11/21/01 Venue hire Prevent update for Parish and Town councils

11/21/02 Probation service litter team

11/21/03 Glapwell GPC Vaccine centre

11/21/04 Formal complaint acknowledgment

11/21/05 Climate Change Parish Pack

11/21/06 BDC Bidder acknowledgment

**12/21 Date of next meeting February 25<sup>th</sup> 2021**

**13/21 Resolution by Chair to exclude Press and Members of the public for the remaining agenda items under Schedule 12 of the Local Gov Act 1972**

No press or public present

For information only
